

1 **§ 100120. Record Keeping.**

2 Each grantee’s institution shall maintain records of all CIRM-funded research activities. At
3 a minimum, the institution shall maintain a research registry that includes, but is not limited to,
4 documentation of:

- 5 (a) CIRM-funded stem cell research conducted by the institution;
- 6 (b) Any required review or notification requirements as described in Code California
7 Regulations, title 17, section 100070;
- 8 (c) The methods utilized to characterize and screen the materials for safety;
- 9 (d) The conditions under which the materials have been maintained and stored;
- 10 (e) Any additional requirements set forth in any other regulations under this title;
- 11 (f) Every gamete, somatic cell, embryo donation or product of SCNT that has been donated,
12 created or used. This record should be sufficient to determine the provenance and disposition of
13 such materials.
